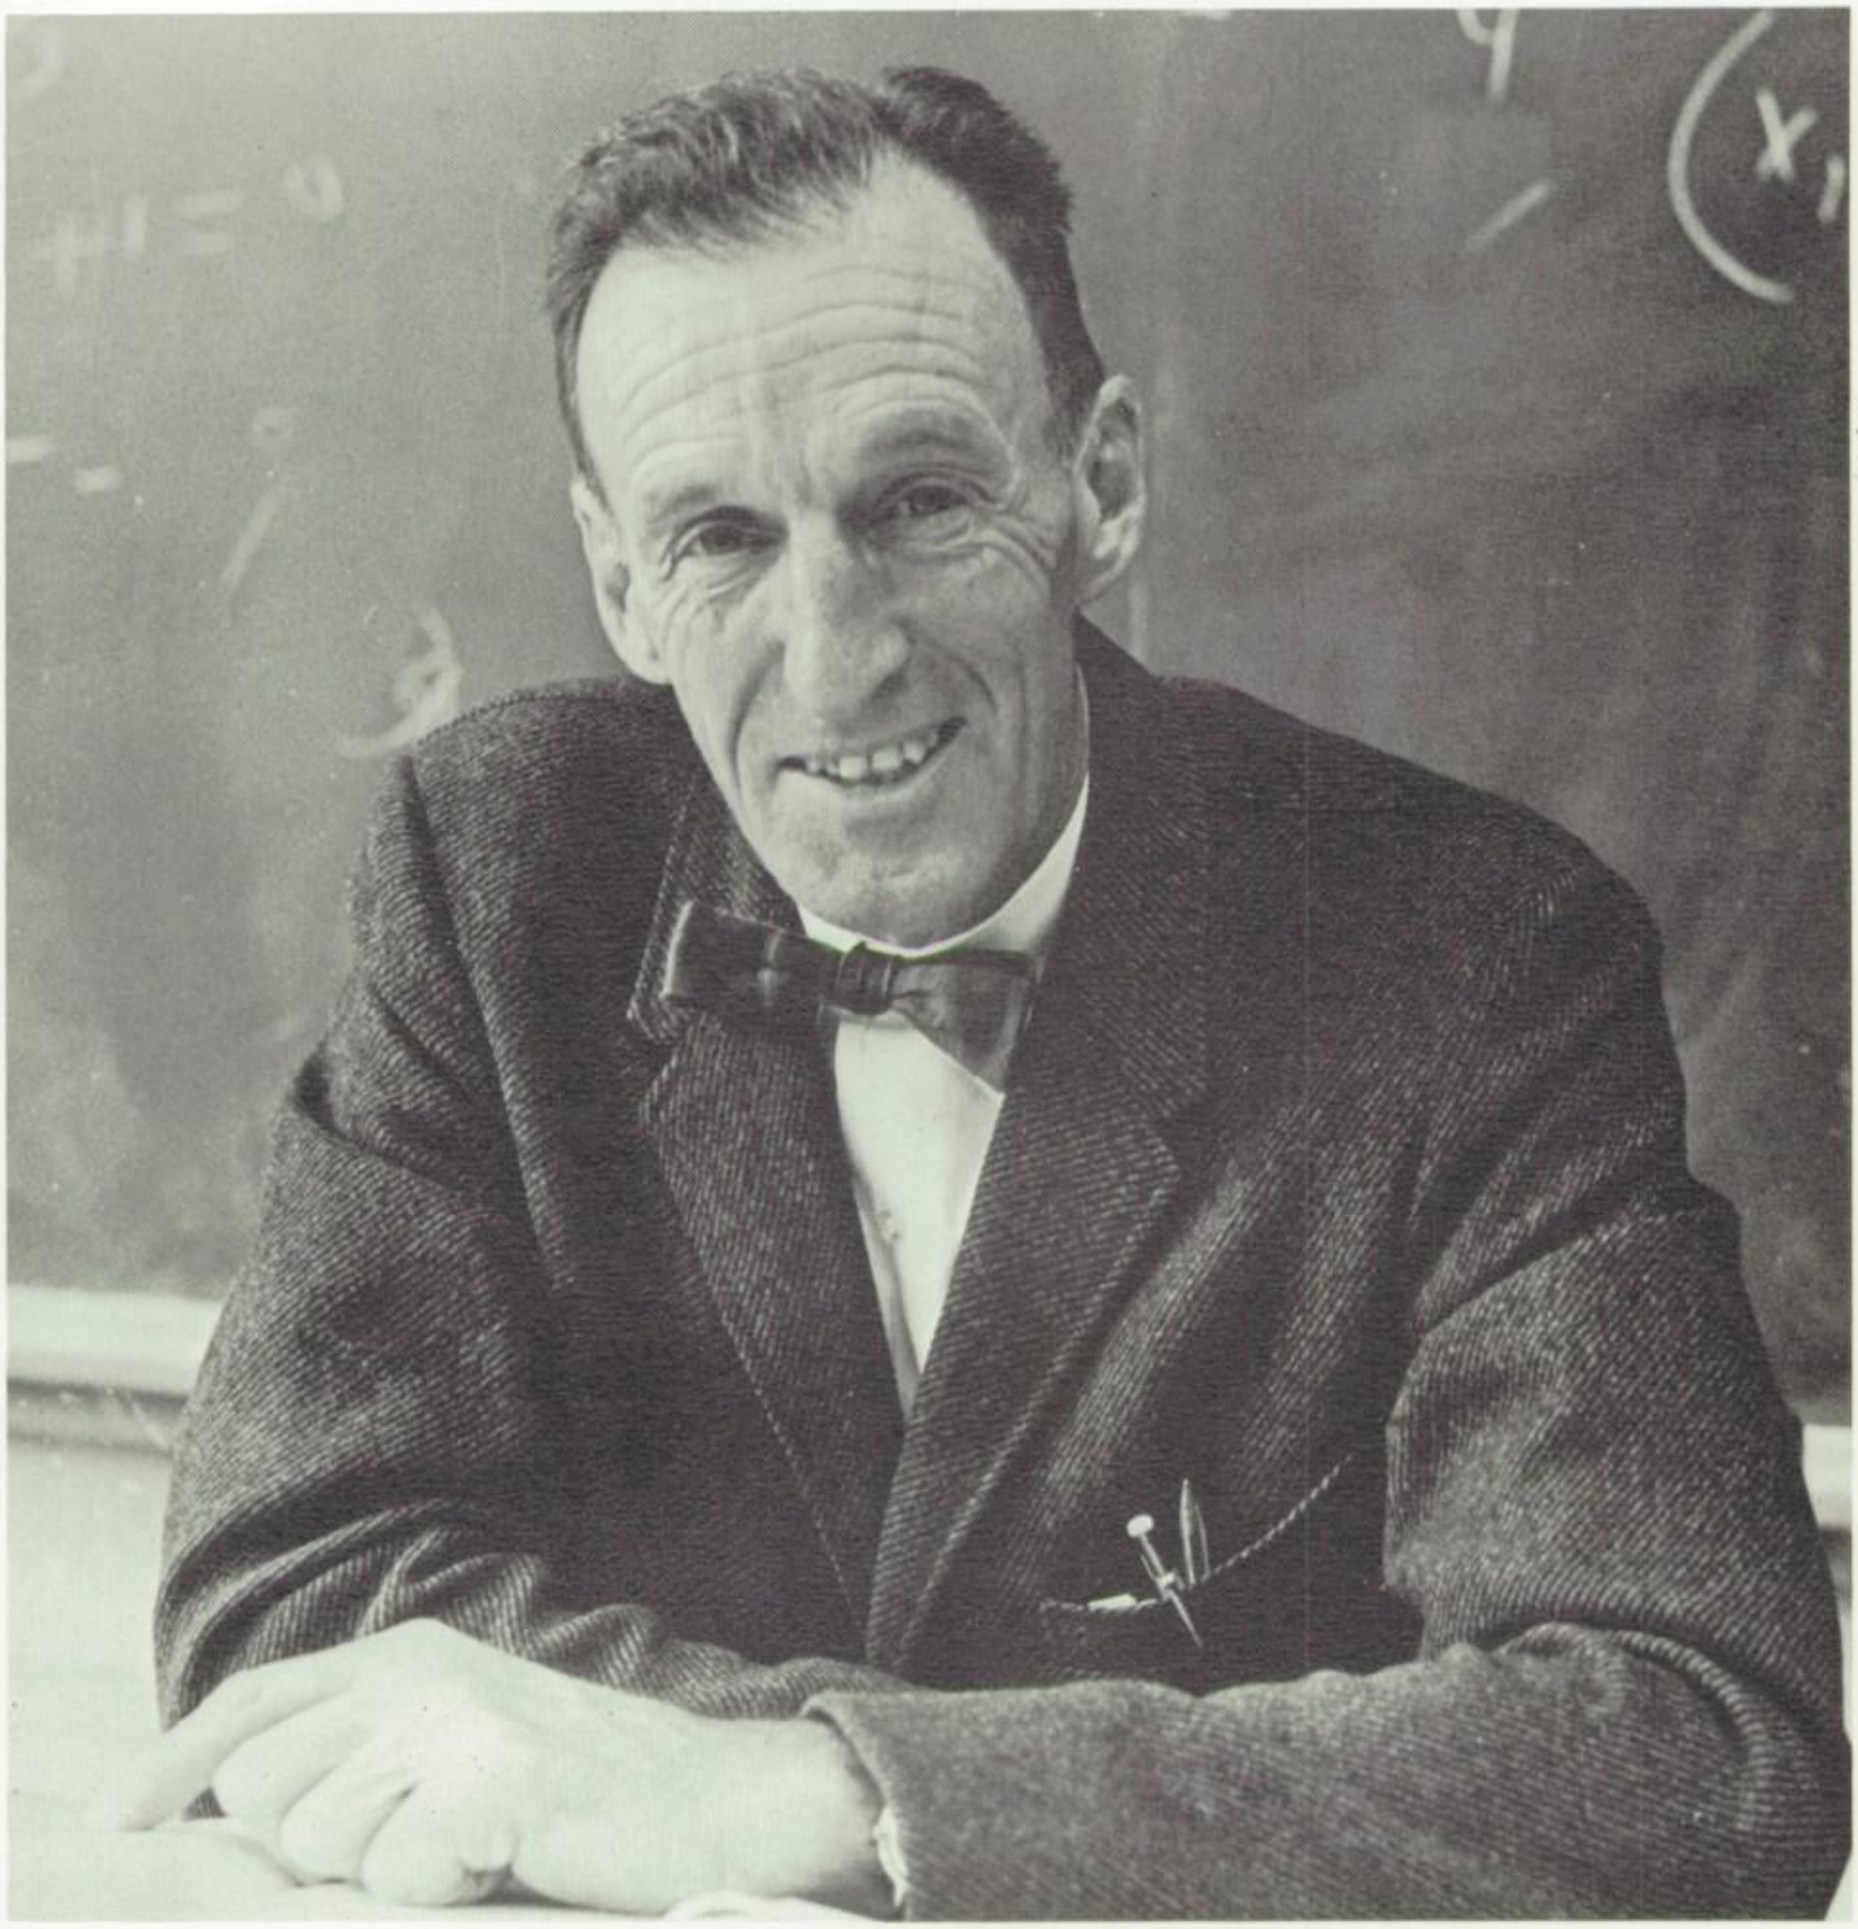
DEDICATION

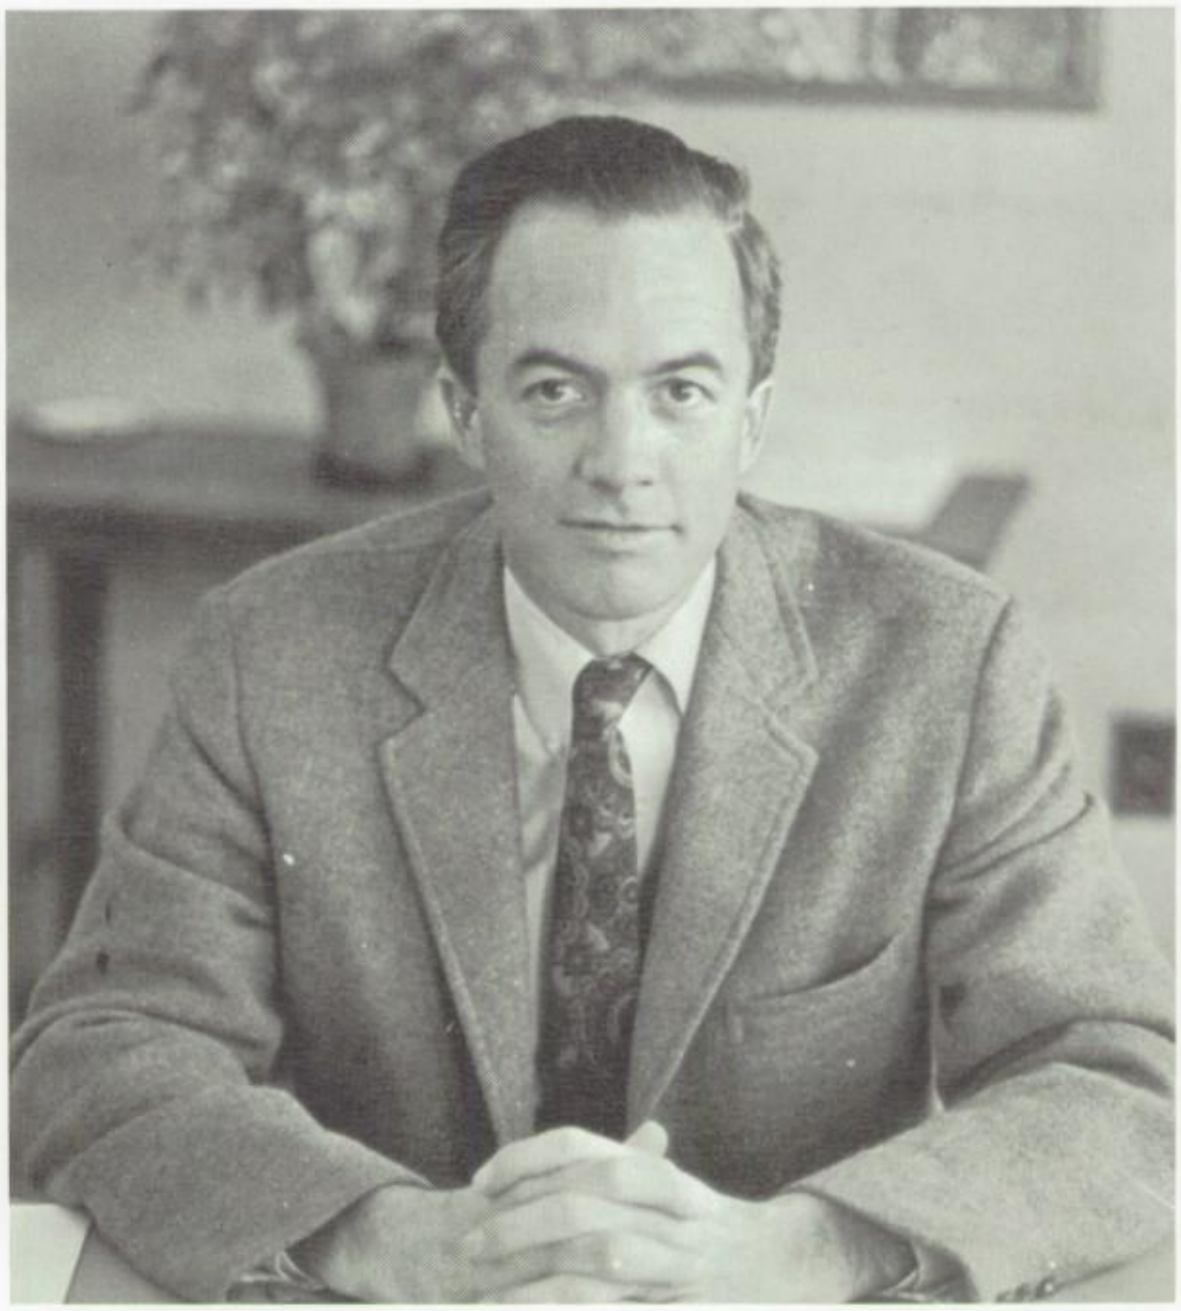
Many changes have occurred since Rivers moved to Weston in 1960. From the original three buildings, the educational facilities have expanded to include the Clarence E. Allen Science Building and the newly constructed George H. Blackwell Classroom Building. The students at Rivers have also benefited from the addition to the Haffenreffer Gymnasium and the reconditioned playing fields. The school's curriculum has been broadened considerably to include new and more advanced courses.

Excellent teachers have been a major factor contributing to the school's rapid growth. One of these teachers, Mr. F. Ervin Prince, has continually inspired students to outstanding performance, both academically and athletically, through a constant involvement in many of the extra-curricular activities and a deep interest in the growth and progress of Rivers.

We the graduating class of 1969 dedicate this year's *Nonesuch* to Mr. Prince and wish him continued success in the Rivers community.



MR. F. ERVIN PRINCE



It goes without saying that the Class of 1969 will always hold a special place in my heart, somewhat analogous to a first son. If parents make all their mistakes on number one, it is also true that a little something extra exists in their relationship. While I hope you will not permanently bear the scars of my errors, I do hope you will remember fondly this, my first year and your senior year.

For my part, I have been impressed by a number of things about you. Where I expected to find resistance, I found a willingness to listen, a desire to try new ideas. Where things did not turn out quite as I had anticipated, you were usually patient and your criticisms restrained. Your class showed a generous spirit in not seeking or demanding things or privileges for itself. Rather, you seemed concerned for the school and understood and were gracious about such things as a lack of a senior room during the fall. I believe it was this sort of spirit that helped so much to make this year of transition a success.

Perhaps the thing that has impressed me the most about you is the way you dug in, took hold, and produced. At an early assembly in the fall I talked about accepting responsibility, producing excellence and school spirit. I believe the three areas of school life—the academic, the activities, and the athletic—can attest to the fact that you listened well. You became actively involved in a positive way. I find it hard to be pessimistic about your future.

Thusfar I have stayed away from "fatherly advice" as you head towards adult life—and I do not intend to close on that note. I have watched you this year and I have faith in you. All of you will make mistakes. Who doesn't? But most of you are observant, right-minded, and will learn and grow into intelligent and productive people. Good luck to all of you.

OUR EDITOR

This year, the *Nonesuch*, in its fourth year of publication, exhibits many changes, and has come a long way since the original issue. Two different full-color end sheets have been added, both taken by students at the school instead of a professional. Our staff also took the team sport pictures and part of the club photographs, leading to the day when the yearbook photography can be done entirely by the students.

Other changes included devoting a half page to each Senior, with both the formal portrait and candid photograph of the student. The style and content of the Senior write-ups are informal, and each Senior had the opportunity to participate in the composition of his own write-up. This makes them more factual and gives the reader an intimate description of the student and some of the important incidents in his years at Rivers. Another important change was the expansion of the section dividers: these were made two pages, presenting some of the lithographs of one of our Photography Editors.

The *Nonesuch* Board hopes that you will use this yearbook as a complete review of this year, now and for the future. We are sure that no yearbook will ever surpass the creative genius which manifests itself in this portrait of the 1968-69 season at Rivers.

Now in its forty-fourth year of publication, The Rivers *CURRENT*, under Editor Richard Clare, has reoriented itself towards more serious literary and photographic contents with a strong emphasis on quality material.

Rick was hampered, however, by the scarcity of student contributions. As a result, the fall issue was deferred until late January. Despite the lack of co-operation, Rick was able to turn out some very successful issues.

The *CURRENT*'s advertising campaign, under the leadership of Business Manager Cary Corkin, surpassed all previous records for funds, and the budget allowed the consideration of such additions as increased space for articles and color covers. Unfortunately, this high budget is useless without new and creative contents, and it is hoped that next year's *CURRENT* will be supported by the students, and will truly serve as a medium for the expression of the students' creativeness.

VARSITY CLUB

First Row: Hohler; Johnson; Schuknecht; Perry; Whittemore; Levy; Weinstein; Waterman, J. *Second Row*: Harvi; Byse; Ohlin; Corkin, C.; Goldberg; Norcross (*Vice-President*); Gabriel (*President*); Kusko; Randall; Fischer; Stewart. *Third Row*: Graham; Cody, S.; Sutcliffe, G.; Zeiser; Cohen, R.; Manin; Jones, D.; Dana; Crawford. *Fourth Row*: Kelly, M.; Lantz; Williams; Shuman, L.; Hudson; Lindblad, P.; Solomon; Smith, T.; Navoni.

The Varsity Club is an organization composed of those athletes who best exhibit the qualities of good sportsmanship and perserverance in their respective sports. In the fall, the club sponsors the annual Fathers and Sons Dinner which honors participants in all levels of fall sports. There is also the Winter Banquet, held for those who have won Varsity letters during the winter months.

The Executive Council is the backbone of the Varsity Club, and is composed of all varsity coaches and the Captains of each sport. The officers of the Club are elected from the Captains. This year Steve Gabriel is President, with Mr. Navoni as Chairman of the Club. The Executive Council, aside from organizing the above activities, also determines a player's eligibility for a Varsity letter and entrance to the Club.

The Varsity Club strives to maintain a high level of good sportsmanship and determination in athletics in Varsity sports, thereby setting an example for the other teams at Rivers.

STUDENT COUNCIL

First Row: Kelly; Olhin; Waterman (*Vice-President*); Whittemore (*President*); Corkin, C. (*Treasurer*); Housman. *Second Row*: Brink; Hall (*Secretary*); Cohen, R.; Graham; Haffenreffer; Gordon, A.

The Student Council continued its usual functions this year with a few new additions and revisions. The Council sold cookies at recess and maintained the coke and candy machines, replacing the old machines with new and more efficient ones. On January 18, the Council sponsored the Fall Dance, featuring *Orpheus*, which was open to all the private schools in the area; over four hundred people attended, and it was a huge success. The newly revised *Handbook* was published by the Council.

Two important changes have happened this year. The Council no longer has the responsibility of rating students, due to the newly instituted system of separate, student-elected Rating Boards. This has taken a great burden away from the Council, allowing it more time to plan its other activities. However, the Council has the authority to review decisions made by the Rating Board and report them to the Class Advisor. Secondly, the Council has been given the responsibility of organizing and running the much-anticipated Senior Room. The Senior Room will be run much as it is at other private schools.

The Council has shown this year that with cooperation from the entire student body, it can be an efficient organization, mutually beneficial to both the students themselves and the school. With an effective Council, Rivers will be able to move forward, and will be able in the future to sponsor such popular events as the Fall Dance, thereby bringing outside attention and recognition to the school.

The Glee Club has expanded and improved over the past few years. Under the expert direction of Mr. David Mitchell, the Club performed a series of carols at the School Christmas Assembly and at the Christmas Concert the next night for the parents. Both performances were augmented by the Handbell Ringers' playing of *Greensleeves* and *Silent Night*.

Mr. Mitchell plans to have two more concerts this Spring before graduation: one with Walnut Hill, and one with Brimmer & May.

This year, the Drama Club continued to present light, entertaining material under the guidance of Mr. Russell Wood. Late in the fall, the Club enjoyed tremendous success in its first production, *The Doctor In Spite of Himself*, a comedy by Molière. Nearly six hundred people attended the play at two performances, compiling the largest audience ever to attend a Rivers production. The entire cast, especially Matt Tackeff and Dick Norcross, did a fine job of acting, and were thoroughly entertaining.

During the winter term, the Drama Club is producing two one-act plays: *The Shirkers* and *The Brute*; both will be under the student direction of Dick Norcross. Mr. Wood also plans to present another full-length play sometime during the spring term. It may be a satire, *That Groovy Guru*, to be presented with Walnut Hill.

The Drama Club generated much excitement and interest throughout the student body. Eventually, the Club hopes to be able to produce more serious drama and still maintain the interest of the student body and parents.

VARSITY FOOTBALL

Although it was not a winning season, this was the best showing by the Rivers football team in four years. The team had more depth than ever before with two complete backfields, so it was not as seriously hampered by injuries as in former years.

The combination of sophomore quarterback Tom Smith and Junior Jim Navoni, the team's high scorer, provided the main offensive strength. Fortunately, both players will be back next year. The team was hurt by the loss of back-up quarterback John Graham, who suffered a broken leg in the second game of the season.

The defense proved to be the team's strongest point. After the first game with Moses Brown, the defensive unit held the opponents to low scores. The team won two of the next five games and none of the losses were by more than one touchdown. The whole team, but especially the seniors: Cary Corkin (Co-Captain), Jeff Freeman, John Waterman, Bill Whittemore, Mark deGuzman (Co-Captain), Fred Fischer, and Dick Norcross, must be given recognition for their fine performances.

The opening game against Moses Brown was the team's weakest effort. This one-sided contest was lost as a result of "sloppy" playing and inexperience. The team's mistakes for the season were all made in this game and never again. The second game with Lawrence Academy, though not a win, raised the team's spirits and earned it recognition as a strong ball club. Lawrence was the first to score on a kick runback early in the game. Then Rivers went ahead with a Smith-to-Navoni pass play and an extra point by Ted Perry, the team's soccer-style place-kicker. In the second half, with the squad in a state of disorganization over the injury of quarterback John Graham, Lawrence managed to score the winning T.D.

The next week the team surprised over-confident Brooks with a strong effort in the first half, but, during the second half, Brooks won the close contest on one touchdown. The Redmen then traveled to Portsmouth Priory, where they met a strong team bent on revenge for the upset victory of last year. An alert defense and another Smith-to-Navoni touchdown pass led Rivers to its first win of the season. The following week the squad again played extremely well, beating Roxbury Latin nine to six on a field goal by Ted Perry and another Smith-Navoni pass. In the last game of the season, the team tried too hard and as a result made some mistakes. With St. Sebastian's ahead by two touchdowns, one on an interception, Rivers came back to within one T.D. of winning. Jim Navoni scored first for Rivers on another of Smith's passes. The rush attempt failed. Then, with only minutes left in the game, guard John Waterman stole the ball and ran thirty-five yards for the second Rivers' score. Mark deGuzman caught a Smith pass for two points as time ran out.

This was a hard fought season in which the squad showed marked improvement in every game.

The Team wishes to express its gratitude to Coaches Gary Graham, Arnold Soloway, Oliver McClory, and Fermo Bianchi for their devoted efforts and strong backing throughout the season.

VARSITY SOCCER

This season, the team enjoyed its best record since soccer was initiated at Rivers five years ago. The squad exhibited the advantages of experience, pre-season camp, and the coaching of Messrs. Suby and Stuik. After two disappointing losses, they surprised Roxbury Latin with a 5-0 win. They later won three straight games against Christian High, Commonwealth, and Thayer. Co-Captains Rick Clare and Ed Ohlin played important roles in these and other games, along with Jim Schuknecht, Paul Stewart, Ed Goldberg, Ken Waltz, Walter Weinstein and Steve Gabriel.

Outstanding underclass letter-winners included George Coon, Louis Shuman, Walker Zeiser, Carsten Tjagyad, Richard Cohen, Jack Williams, and Bob Brink (the team's high scorer).

With a high percentage of returning players and excellent J.V. material, prospects are good for the first winning soccer team at Rivers in 1969.

VARSITY BASKETBALL

This year's Basketball team, having already played together for a year, proved to be an efficient and co-ordinated unit on the court. Sparked by the play of Co-Captains Ed Ohlin and Jeff Freeman, the squad came close to taking sole possession of the top spot in the Private School League, but losses to Browne and Nichols and Noble and Greenough resulted in a tie for third place.

High scorer this season was Jeff Freeman, who averaged over nineteen points per game. Ed Ohlin scored in the double figures repeatedly with his corner jump shot. Tom Smith, Bob Hohler, Jim Navoni, Ed Goldberg, Erik Johnson, Bill Whittemore, and Chris Todd all scored regularly and contributed to the team's success.

Unfortunately, the team will be losing a considerable part of its strength due to the loss of many seniors, and will have to depend heavily on starters Navoni, Smith, and Todd, and on J.V. material to replace them. Hopefully, with several promising players coming up, the squad will be able to do equally well next year.

VARSITY WRESTLING

Winning seven of its eleven matches, this year's Wrestling team had the most successful record since the sport was started at Rivers. Once again, the strong point of the team proved to be the lower weight classes. They scored heavily in the early parts of the matches, relieving the pressure on the middle and heavy weight classes.

Wrestling unlimited with the best record of the team, Nick Soloway won all ten of his matches and placed third in the N.E. Private School Class C Tournament. Placing second in the tournament was Captain Steve Gabriel, with a season's record of 10-1 in the 133 pound class. Other outstanding members were Junior Mark Manin, with a 9-1-1 record in the 121 pound class, Sophomore Richard Solomon in the 110 pound class with an 8-2 record. Eric Shaw and Dave Jones wrestling 145 and 138 pounds, respectively, posting 7-4 records, and Junior Peter Lindblad in the 177 pound class with a 7-3-1 record. Also wrestling well for the team were Ed Perry, who was sidelined with a knee injury early in the season, Mark deGuzman, Jerry Rosenberg, Steve Cody, Alfred Washington, and Jim Crawford. Recognition should be given to Mr. Erik Suby and Manager Jim Byse.

With only two seniors leaving, next year's team has a good chance of improving upon this year's record. Next season, the team will have the depth necessary to complement the experience of the new members.

This year, the lacrosse team is fortunate to have experienced players at every position. Hampered by lack of depth in the past, Mr. Thomsen is counting on newcomers to support the returning lettermen and provide the additional strength necessary for a winning season.

The team is depending on Captain Dick Norcross with three years of varsity experience in the goal. The other defensive positions will be filled by Juniors Ed Perry and Jim Crawford. George Sutcliffe, Ben Hudson, Alan Dana, Ed Ohlin, Jim Navoni and Jim Schuknecht will probably constitute the first two midfields. The attack will consist of Jeff Freeman, Brooks Smith and John Waterman, who are playing together for the second consecutive year, and should provide an effective offense.

The success of the squad depends on its ability to play together as a team and on the ability of new members. If the team plays up to its potential, there is no reason to expect less than a winning record.

The Baseball team, under the leadership of Coach Russ Halloran, hopes to improve to its performance over last year. Judging from the previous season, the squad may lack competent hitters. Hopefully, with the addition of new players John Rooney, Ed Shaw, and Jim DeWilde, this weakness will be corrected.

Captain Ed Goldberg, along with returning letter-winners Tom Smith, Jack Williams, John Graham, Bill Whittemore, Bob Hohler, and Paul Lantz will make up the nucleus of the team. Other players, including Cary Corkin, Roger Prince, Louis Shuman, William Burke, and Bruce Henderson, as in the past, will contribute greatly as substitutes for the starting team.

The Private School League will be difficult this year, but with its vigorous preseason practice, the team may look forward to a respectable season.

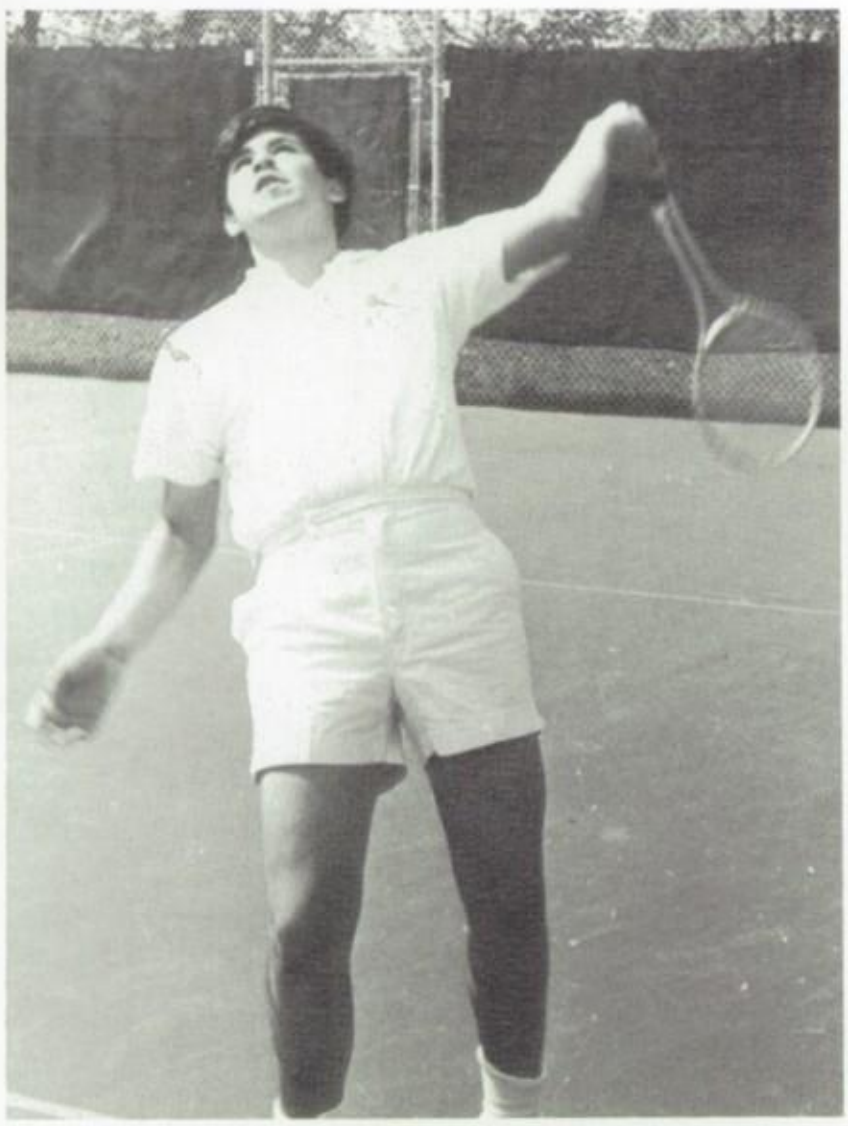
VARSITY TENNIS

First Row: Mr. McClory (*Coach*); Kusko (*Captain*); Randall. *Second Row:* Rowbotham; Coon.



Coming from a fine 5-3-0 season last year, the Rivers tennis team can count on four returning lettermen to help continue its winning record. Back for his second year of coaching, Mr. Oliver McClory expects Gardie Rowbotham, Captain Jon Kusko, George Coon, and Dick Randall to fill the first four single slots, probably in that order, and the teams of Rowbotham-Coon and Kusko-Randall to play first and second doubles, respectively. Trying to make the team this year are Frank Davis, Bob Brink, Rich Cohen, and Tom LeVine from last season's JV and Freshmen Peter Fager and John Silbert.

Tough matches can be expected from traditional rivals Nobles and Belmont who accounted for two of the three losses last season; but in spite of this threat the tennis team has good possibilities of retaining its strong athletic record at Rivers.

THANKS

With the completion of the 1969 *Nonesuch,* I wish to express my appreciation to everyone who contributed time, energy or material making possible its publication. During the year, I have been very critical of other people's work, not always constructively, but I hope my victims realize this was done in an effort to produce an interesting publication. Without any radical changes from past years, I believe this book offers enough variations to make it enjoyable reading for you. Future Editors should strive to produce a yearbook that offers even more innovations and improvements.

I would especially like to thank Mr. David M. Berwind, Mr. Harwood Ellis, and the School for their generous support; Mr. John B. Jarzavek for his patience in correcting our numerous mistakes and for his valuable advice; Mr. Russell Halloran for his cooperation in determining our finances and his willingness to help; Mr. Robert Moore for his understanding concerning late photographs, odd-hour telephone calls, and broken deadlines; Lincoln Studios for their fine film service; John Harvi for the title page photograph; George Coon for the drawing on this page; Steven Weinrebe and Richard Randall for the color end sheets; Richard Levy and Levy Studios for an infinite number of photographs; Richard Clare for tolerating us in the CURRENT Room; and, most of all, my two Assistant Editors, Mark Housman and Paul Stewart, for sharing the responsibility.

Thank you, and I hope this Yearbook will provide a memorable account of 1969.
